d'SEASON HOTEL

Karimun Jawa

The latest crown jewel of d'SEASON is located in Karimun Jawa archipelago, with total 36 rooms in an artificial cliff overlooking the Karimun Jawa Island.

The name itself means "a stone's throw from Java" in Javanese. The island is national marine park composed of 27 islands offering natural and serene beauty.

The strategic location of d'SEASON Hotel Karimun Jawa gives our guest accessibility to Dewandaru Port and Dewandaru Airstrip to ensure our guests' travel needs. It also offers guest to experience the remote and natural sensation of unspoiled beaches with white sand and clear sea, but also tradiional night market in Karimun Jawa.

COMFORTABLE STAY

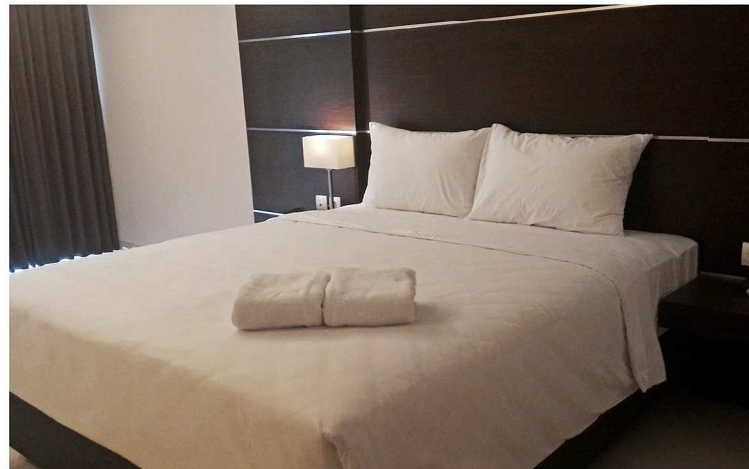

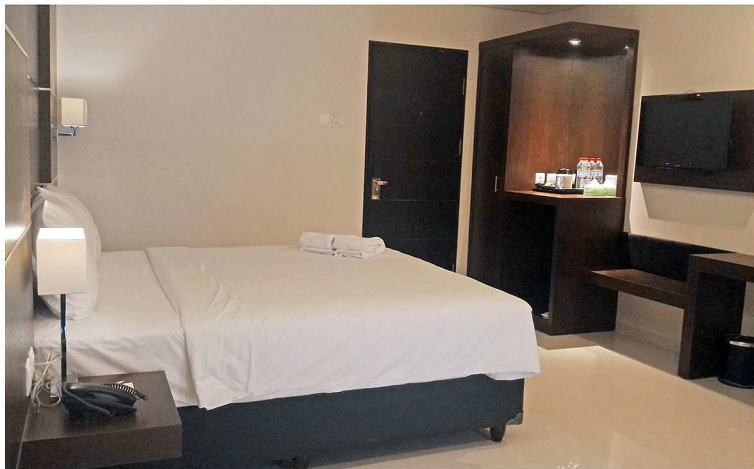

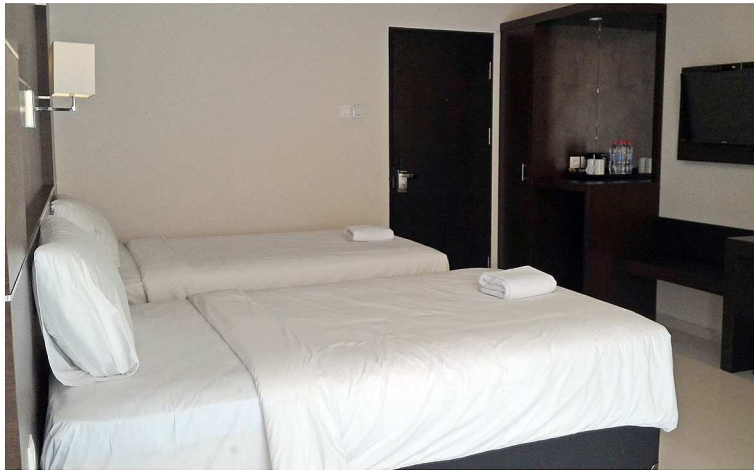

Situated in a cliff, every room has been carefully detailed to have access into breathtaking view of this humble archipelago. Each room is designed with combination of minimalistic approach embracing distinct traditional details of Karimun Jawa.

Combining natural material and modern construction, every room is spacious (28 msq.), with your own balcony or terrace.

Every room is also equipped with all the amenities and hotel service phone. The air conditioner is carefully placed to ensure maximum exposure. For your in-room entertainment, we also provide international TV channels.
